Subject: STOP LIQUOR LAW MODIFICATION BILL 5021

Dear Sir or Madam,

I am writing you this message today to urge you to stop the enactment of Liquor Law Modification Bill 5021. As a resident of Westport, CT I find this bill to be a clear attempt at driving small business out of the great state of Connecticut and a cash grab for corporate interest groups looking to establish a stranglehold on local industry in an area they do not currently inhabit. From my point of view, the only unequivocal effect Governor Malloy's proposed legislation will achieve is to redistribute the revenue from the current system into the pockets of corporations and out of the hands of hard working small business owners.

I urge you to reconsider the proposed legislation and not to pass a law that will arguably have no benefit for consumers, small businesses or the State of Connecticut and will cause irreparable harm to hard working, decent and upstanding members of the Connecticut community. I will be watching this issue very closely and hope that the correct steps are taken with regards to this matter. I thank you for your time.

Best regards,

Benjamin Brooks
